## Fine Art and Specie Insurance

## **Introduction:**

The Lloyd's of London insurance market has a rich history in offering Fine Art and Specie insurance protection for both local, regional, and international clientele. This is a specialised niche of the insurance market that protects valuable goods, such as cash, bullion, diamonds, fine Art, and valuable documents. This course will provide a background, the key underwriting considerations as well as the latest risk management measures in use by underwriters.

## **Who should Attend:**

This presentation would be of interest to cargo or property underwriters, managers or brokers who may be approached to provide insurance for Fine Art, Jewellers, or Cash in Transit insurance. It would also be beneficial to those in the industry wishing to increase their knowledge of these types of insurance.

## **Learning Objectives:**

1. What is Specie Insurance
2. Fine Art
3. Types of Fine Art Insurance
4. Rating considerations
5. Policy Wordings
6. Other types of Specie Insurance
7. Armored Car
8. Jewelers Block
9. Claims and Loss Prevention

## **Benefits & Return on Investment:**

- The overall benefits include providing delegates with technical and working knowledge and assessment of risk exposures for this niche sector.
- Credits toward further professional courses at the CII levels.
- Improved employee confidence in their working environment.
- Competence within the organization which should result in improved customer service.
- Competitive advantage by having employees trained to the highest level in the insurance sector Internationally.
- Regulatory compliance with employee training requirements.
- Certificates (including CPD points) of participation offered.

## **Trainers:**

Our training experts are current industry professionals with over 30 years of international insurance experience. The trainer for the above session is a leading authority in Marine Insurance in the United Kingdom, holds the FCII and MBA designations, a Senior Insurance Manager, Underwriter and Broker experienced in handling international business within the Lloyd's, London and International and Provincial markets, such business includes direct and reinsurance (facultative, treaty, excess of loss).
